

NEW HEART BEAT DEVOTIONS

"The only person who can keep us from calling GOD is ourselves."

1-800-DIAL-GOD

I have seen trucks from a company named Guaranteed Overnight Delivery or G.O.D. This company had the phone number on their trucks: 1-800-Dial GOD. I was often tempted to call to see if they answer, "You have reached GOD. May the Almighty help you?"

In the 1980's, Guaranteed Overnight Delivery started to haul overnight cargo catering to the Northeast, based in New Jersey. They grew over 8,100 percent with \$417 million sales in 1988. A local add agency once warned Chief Executive Walter Riley not to even think about using the name GOD. But he painted GOD on his trucks and his workers wore GOD on their shirts. For all its success, the company mirrored some of the worst instincts of impatience, mistrust and anger. Riley had over 100% employee turnover. In his own words: "I became a dictator". One day, it hit him that people were more important than profit and tried to change himself and G.O.D.. (You can read about his story at Inc.com.)

To really call God, we do not need a land line, cell phone, PDA, any bars, or a calling card for long distance. We will never get the wrong number, or a busy signal, or be put on hold or have dropped calls. We will never get His secretary or His voice mail or "Press 1 for requests. Press 2 for praise, Press 3 for repentance". You can call Him 24/7 from anywhere.

Try calling the President or the Governor. You will never get through to speak with them. But try calling the Creator, the Master of the Universe, the Almighty, the Alpha and Omega, the Redeemer of our souls. When the call comes in, He will always stop what He is doing and give us His undivided attention. He has the power to answer our calls beyond what we ever hope or dream. He will also listen to your questions, thanks, praise, and confessions. "Whatsoever ye shall ask in prayer, believing, ye shall receive." Matt 21:22

Guaranteed Overnight Delivery failed and is now out of business, but our true GOD will never fail or go out of business. I just talked with Him. He is still trucking. Just call Him.

*"Call unto me, and I will answer thee and shew thee great and mighty things, which thou knowest not."
Jeremiah. 33:3*
