

# NEW HEART BEAT DEVOTIONS

## Father Band-Aid

*When my son was in the marching band, he played the triple drums. During one parade, I took my turn in being a helper with the band. The parade started with no problem. But I noticed that my son was having trouble. Then it happened, his pants fell down and he could do nothing about it because of the drums.*

*Two of us ran to him. I grabbed his pants and took him to the sidewalk. The other parent grabbed his drums and put them in the band's van. While I was securing his pants, I noticed that the band kept moving but the band's van was waiting for us. The parade was stopped for my son's need. After his pants were adjusted properly, we ran to get caught up. You might say I helped as a father and a band aid.*

*When we have a problem our Heavenly Father is always there to aid. He hears our prayers and will give the best possible answer. He will give our need His personal attention, even if it means stopping whatever else is going.*

*"Let us therefore come boldly unto the throne of grace,  
that we may obtain mercy, and  
find grace to help in the time of need." Heb 4:16*
