

NEW HEART BEAT DEVOTIONS

Struck By Lightening

A friend of mine was using a wall phone, in the lobby of his church, during a thunderstorm. Suddenly, there was a bright flash of light and he was thrown to the floor. After a few moments, he realized that he was struck by lightning. In a daze, he reached for the receiver and it was dead. In slow motion, he started moving towards the sanctuary. He saw people staring at him but he could not hear them. He thought to himself, "Do not look back for I might see my body lying there dead".

My friend thought his life had ended. He was not scared. He had accepted Jesus Christ as his Savior. He had laid up his treasures in heaven. He was living a daily life that was pleasing to God. He had no unresolved issues. But what about his wife and kids? What will they say and how are they going to survive? My friend's life was spared that day. He came through with only temporary deafness. The Lord had given him more time here on earth.

How much time do you have? Every morning you have one day less. Live ready.

"And as it is appointed unto men once to die, but after this the judgment." Heb 9:27
