

# NEW HEART BEAT DEVOTIONS

## The President Waved

*A friend of mine, at work, told me that he took a buddy to Andrew's Air Force Base the day before. When they arrived, he noticed there was extra security. There were men in black suits and several helicopters overhead. When he got to the runway, he saw Air Force One. He then saw the President and the President waved. I thought that was neat.*

*But then I realized, I know the President's boss. In fact, I know the Prince of Peace, the Ruler of the World, the Creator of the Universe, the Lord of Lords, the Alpha and Omega. He is the Almighty God. He does not need Air Force One. He does not need security. He does not just wave and keep going. He daily walks with me and talks with me. He knows my name and answers my requests. He loves me so much that He gave His only Son to die for me. I humbly bow before Him for He is my Savior, my Lord and my Friend. Have you walked with Him, today?*

*"Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you" Mat. 7:7*
