"Investigate, pray, vote, then pray without ceasing."

Vote For Who?

"As Christians, we are not responsible for the reality of our two-party system or for the way others exercise their citizenship, but we will give an account for how we delegate our authority. Our primary concern is not the election night victory party, but the Judgment Seat of Christ. When Christians face two clearly immoral options, we cannot rationalize a vote for immorality or injustice just because we deem the alternative to be worse. The Bible tells us we will be held accountable not only for the evil deeds we do but also when we "give approval to those who practice them" (Rom. 1:32). This side of the New Jerusalem, we will never have a perfect candidate. But we cannot vote for evil, even if it's our only option." Read ["Should Christians Vote for the Lesser of Two Evils?"](#) Russell Moore / March 2, 2016.

Vote for who? Research the candidates. Find out their relationship with God, what moral values they believe in, and what type of policies and agenda they have. Then pray, pray, pray. It is not a lost vote if you vote for the underdog or write someone in. I personally know of a local person that won as a write-in to the State House of Representatives. A Lincoln was a major underdog, but he won and led the County out of dark times.

"There about 60,000,000 committed Christians in America but only about 30,000,000 votes. What would happen if all 60,000,000 voted? It would change the world. That change begins with you. Go to [VoteUnderGod.com](#)"

"What angers me most about this upcoming election are the comments of "both sides" and the information or misinformation that each side has. You see it on both sides... With each new post we become more and more divided on our views and the issues. It's like a game of one upmanship. I don't have the answer, and this has been ongoing for years, but I think it has reached a new height this election season. I too have been guilty of this, and I vow to stop from this moment on. You may disagree and that is your prerogative but for me, it is my vow. The only place I am going to get my information from is the good Lord above through much prayer and supplication. I will trust my faith in Jesus Christ to lead me to the best information and in the best direction to go. I will trust Him to separate the "chaff from the wheat" and not "lean upon my own understanding" to make the best decision. In the end as a Christian, I know that He will guide me to a decision that is not only good for me, but right for this country that I love so much." Susan Stambaugh

You might say that my single vote will not do any good. Texas was admitted to the Union; Hitler won leadership of the German Nazi Party, the House of Representatives elected Thomas Jefferson as President and the 17th president Andrew Jackson was saved from impeachment all by one vote.
