

# NEW HEART BEAT DEVOTIONS

## In Which State Are You?

*A few years ago, my wife stayed in a hotel in which the state line went through it. I could imagine seeing a sign when you brush your teeth: "You are entering the state of New York". Then when you return to the bed seeing a sign: "You are entering the state of Pennsylvania". When she called home, I was so tempted to ask, "In which state are you?"*

*Unlike that hotel, when we pass over to the other side, we will only be in one state or the other. There will be a great gulf between the two states and there will be no way to go between the two (Luke 16:26)*

*The one state will be the best vacation in the universe. It will be never ending comfort, joy, excitement, and fulfillment. The other state will be worse than your worst vacation. In fact, will be worse than any nightmare. It will be filled with never ending pain, sorrow and torment.*

*Do you know for sure which state you will be in? Make your reservation now with the one "who paid it all". Invite Him to be your Lord and Savior.*

*"... that whosoever believeth in Him should not perish but have everlasting life." John 3:16*
